PROGRAM NOTES

Parent/Guardian Responsibilities

By enrolling your child in an After-School Enrichment class, you are responsible for the following:

- Knowing class start and end dates!
- Ensuring your child is picked up on time.

Registration

- Please register your student(s) online at <https://www.friendsofhawthorne.org/enrichment> during Registration Week (January 1st-5th).
- Classes that fill during registration week will be determined by lottery among those who register by January 5th at 11:59pm.
- **Note: Because classes are handled by lottery, classes may appear full, even if they are not. Please 'Enter Lottery' to register for a class. You will get an email confirmation from 6crickets that you have successfully entered the lottery. Each student may enter the lottery for up to three classes.**
- We will notify you of class assignments by January 8th. Please do not send your child to class without written confirmation of enrollment.
- Payment is due by midnight on January 11th to finalize enrollment. *Note: payments will be processed at a later date (January 20).*
- After the lottery process, any remaining class spots will be available on a first-come, first-served basis starting Friday, January 12th, at 7pm.
- If you need translation, please call 206-252-7244.
- If you need computer access assistance, please contact Ms. Mak at mbmak@seattleschools.org.

School Closure/Class Cancellation

Afternoon classes will be canceled if SPS announces an early school closure or late start due to weather or other reasons. There are no refunds when a single session of a class is canceled because the District has altered the schedule. Prorated refunds will be considered starting with the second instance of a class cancellation by the District during the quarter. A class meeting canceled by the instructor may result in a pro-rated refund.

If a class does not enroll sufficiently, it may be canceled. You will be notified and your fees refunded.

Withdrawal from class

If you withdraw from a class, you will receive a refund based on the following schedule:

- Before the first day of class: full refund minus \$25 administrative fee.
- After the first class but before the second class: 90% refund minus \$25 administrative fee.
- After the second class: no refund. NOTE: Classes taught by outside vendors (i.e., the Provider in 6crickets is not listed as Friends of Hawthorne PTA) may have different cancellation policies.

Getting to and from class

Students are picked up from and returned to the gym for their After-School Enrichment classes. Parents are responsible for collecting their children promptly from afternoon classes. There will be no supervision for children after their class ends. If prompt pickup becomes an issue, your student may be removed from the class without refund. **No bus transportation will be offered for After-School Enrichment classes.**

Behavior at Hawthorne

We have the expectation of respect for teachers/instructors and good behavior during classes. Students are expected to maintain the same behavioral standards that they have during the formal school day. If an instructor identifies a behavior issue, the following steps will be taken:

- At the first incident, the instructor will call parents/guardians regarding student behavior.
- The student will be given one trial class to improve.
- If the disruptive behavior continues, we reserve the right to remove the student from the class without refund. Please discuss enrollment with your child to be sure they want to attend.

Clothing

Please send your children with clothing appropriate for their class. Athletics classes require loose-fitting clothes and closed-toe rubber-soled shoes.

General Information

After-School Enrichment Programs do not generate a profit for the Friends of Hawthorne (FOH). A fee of \$15 for FOH and \$10 for 6crickets.org are included in the listed class fees to cover the costs of managing the program.

SCHOLARSHIPS ARE AVAILABLE

FOH intends for all students to be able to participate in the After-School Enrichment Program regardless of need. **Students who are eligible for the Free and Reduced Lunch program may enroll in one class per session at a 25% discount.** To use the discount, enter the class-specific discount code at checkout, using 2024WIN25. *Only one reduced-fee class per qualifying student per session.*

For families who need additional financial assistance, please contact Ms. Mak at mbmak@seattleschools.org.

The Friends of Hawthorne's ability to grant aid is based on FOH funding, generous donations from the Hawthorne community and vendor scholarships. FOH reserves the right to grant or deny all requests for financial aid.

ARTS & CRAFTS

CREATING POP-UPS & PAPER CONSTRUCTIONS

Mondays • 2:30 – 3:30 pm • Grades K-5 • \$248

Students will explore how to create pop-up constructions out of paper. They will learn many techniques to create artwork that leaps off the page. There will be an emphasis on how to construct the pop-up pieces and at the same time students will learn how to add hand drawn elements to their projects. In the second part of the session, students will develop their visual storytelling skills as they illustrate a short story with their own pop-up constructions.

Dates: 1/22, 1/29, 2/5, 2/12, 2/26, 3/4, 3/11, 3/18, 3/25, 4/1

JOYFUL PRINTMAKING: PLAYING WITH PATTERN AND PAINT

Tuesdays • 2:30-3:30 pm • Grades K-2 • \$295

Color, pattern, and paint! This winter, we'll dive into the wonderful art of printmaking. Artists from around the world will inspire our making sessions: we'll use our imaginations to travel to the Lascaux caves in France, where prehistoric peoples printed their handprints on the walls of caves; around the world, and into modern times with the Ndebele of South Africa, Matisse, and Ruth Asawa from California. Our art will be inspired by the rich patterns we find in these artists' work. Explore a variety of printmaking methods: printing with foraged materials, creating spontaneous mono-print paintings and printing with unusual materials. Your student will come home with a variety of handmade frame-able artworks, and a collaboratively printed t-shirt or apron. Our skills will culminate in a final class collaboration project. Our group will focus on cultivating creativity with a growth mindset, play and collaboration, and joy in making art together!

Provider: Megan Bassage-Glock. Megan is a studio arts instructor who lives in the Rainier Valley with her family and two pet rabbits. She teaches kids' ceramics classes at Seward Park Clay Studio, and art classes for homeschool families in the neighborhood. She studied studio arts at Berea College and is thankful to share her love of the arts in the community!

Dates: 1/23, 1/30, 2/6, 2/13, 2/27, 3/5, 3/12, 3/19, 3/26, 4/2

UNDER THE SEA: UPCYCLED ARTS & CRAFTS

Thursdays • 2:30-3:30 pm • Grades 1-5 • \$250

Under the Sea - creating art that is inspired by the ocean - underwater animals and plants. We will make art and crafts (mini aquariums, watercolor manta rays, fish windsocks, leaf fishes, jellyfish suncatchers) from upcycled materials and all different types of art materials. Bring your willingness to have fun with CraftLab Seattle!

Provider: [CraftLab Seattle](#)

Dates: 1/25, 2/1, 2/8, 2/15, 2/29, 3/7, 3/14, 3/21, 3/28, 4/4

STUDENT CLUBS

YOUNG FIGHTS FOR YOUNG RIGHTS (STUDENT-LED CLUB)

Thursdays • 2:30 – 3:30 pm • Grades 4-5 • \$125

Young Fights for Young Rights is a student-led club focused on empowering young girls to feel confident, fearless, and proud of who they are! This club is open to those who identify as girls (cis/trans) and nonbinary students. Our hope is that students will walk away with healthy communication skills, leadership qualities and the ability to encourage, uplift and support each other. There will be fun activities that will promote these lessons along with guest speakers from the community.

Student Leader: Diaz Molina Garcia

Hi! I'm Diaz. I'm in 5th grade in Ms. Pitts class. This club was originally just an idea and now it's a dream come true. When I presented my idea to Ms. Flavors I was surprised to hear that this will be the first student led club at Hawthorne. I've been so ecstatic to start the club ever since. It's been a lot of work but it's all going to be worth it. I'm excited to help inspire my fellow student body.

Chaperone/Advisor: Principal Flavors

Dates: 1/25, 2/1, 2/8, 2/15, 2/29, 3/7, 3/14, 3/21, 3/28, 4/4

PERFORMING ARTS

STAGE SLAYERS (MRS. K's DRAMA CLUB)

Mondays • 2:30 – 3:30 pm • Grades K-5 • \$245

Join Mrs. Erin Wise-Khettouch (Hawthorne's very own music teacher) in the adventures of THEATER! Through games, improvisation and theater exercises, students will explore all aspects of theatrical performance. In this club, students will learn about characterization and storytelling through a play performance. Students will also learn the history of theater, the basics of auditioning, and will have a chance to work on set design and props. Students will exercise their bodies and minds to build characters through vocal and physical exercises that will build confidence, engage their imagination, and develop presentation skills. This all takes place in an atmosphere of fun and friendship. Students will present all that they have learned through a performance of a Play on the final afternoon of the session (4/1/24) to round out the experience:

The Not So Mysterious Disappearance of Cinderella. *We all know how the original story of Cinderella goes - at the stroke of midnight Cinderella runs from the ball, leaving behind a glass slipper, only to have Prince Charming scour the entire Kingdom in search of his "soulmate." He finds her, he weds her, and they all live happily ever after. As if! This hilarious new version offers up a more contemporary twist on the old tale. This time, Cinderella goes missing and everyone in the kingdom is a suspect. Packed with humor, plenty of pop-culture references and fresh takes on classic characters such as the Big Bad Wolf, Goldilocks and the Three Bears, the Fairy Godmother, Detectives and many more...this play is sure to entertain!*

Each kiddo will be asked to bring a water bottle and a snack will be provided each Session.

Provider: Mrs. Erin Wise-Khettouch

Dates: 1/22, 1/29, 2/5, 2/12, 2/26, 3/4, 3/11, 3/18, 3/25, 4/1

STEM

WILD AT HEART: WINTER NATURE EXPLORATIONS

Mondays • 2:30-3:30 pm • Grades 1-2 • \$125

Bring a sense of wonder and curiosity! Taught by Hawthorne's very own Ms. Chappel, students will explore the natural world through plant and animal life on Hawthorne's grounds. Students will use art, movement, observation and play to investigate winter flora, fauna and natural phenomena. Topics will include snow, hibernation, wintering trees and other pacific northwest nature. Students will also be able to choose other topics that are most exciting to them. Each class will include outdoor field study and exploration, and indoor activities.

Instructor: Ms. Maggie Chappel. Ms. Chappel studied environmental education at Western and has always loved spending time outdoors especially in the water. She loves connecting students with natural spaces!

Dates: 1/22, 1/29, 2/5, 2/12, 2/26, 3/4, 3/11, 3/18, 3/25, 4/1

LITTLE CODERS

Mondays • 2:30-3:30 pm • Grades K-2 • \$275

Get them started early! Our Little Coders class offers young children the perfect opportunity to develop their computational thinking skills, create their first programs, and have a blast with their friends! Our curriculum is tailored specifically for early readers and takes into consideration their cognitive abilities and attention span, typically found in children aged 5-7.

We utilize age-appropriate online tools, including Lightbot, Kodable, and Scratch, to introduce fundamental coding skills. Beginner students learn essential coding concepts such as Loops and Conditions. Through practice, they apply these concepts to build simple projects, including games, stories, and even animated characters. Returning and experienced students encounter new challenges that will allow them to push their coding knowledge to the next level. **Note: Students will use their school-issued ipad in this class and bring their device to and from each class.**

CARDBOARD ENGINEERING

Tuesdays • 2:30 – 4:00 pm • Grades 2-5 • \$275
1.5 HOUR CLASS

Kids' Carpentry's Cardboard Engineering is a hands-on toy building experience designed to teach practical building skills with an emphasis on the safe use of accessible hand tools. While kids construct fun and exciting projects they are also empowered to become independent thinkers—building confidence, self-esteem, and a repertoire of practical skills that will last them a lifetime! In this class kids will learn basic cardboard manipulation, utilizing the MakeDo Cardboard Engineering System, to create feats of engineering. Each week an instructor will walk kids through a new and exciting project from a collection of toys, games, costumes, or decorations and then give them time to free build, using their new skills to invent projects of their own. Consecutive sessions will have some repeat projects but kids are welcome to join the class again and we will work with them to make something new.

Dates: 1/23, 1/30, 2/6, 2/13, 2/27, 3/5, 3/12, 3/19, 3/26, 4/2

JURASSIC BRICK LAND

Thursdays • 2:30 – 3:30 pm • Grades K-3 • \$230

Using motorized LEGO® bricks, we will build a world that comes to life with the gentle Brontosaurus, ferocious Velociraptor, terrifying T. Rex, and more! We'll learn about amazing dinosaurs that lived during the Jurassic period, and other extinct, prehistoric animals that roamed the earth and swam the seas. Come learn, build and play at Jurassic Brick Land!

Provider: [Bricks 4 Kidz Greater Seattle](#)

Dates: 1/25, 2/1, 2/8, 2/15, 2/29, 3/7, 3/14, 3/21, 3/28, 4/4

READING and LANGUAGE

READING RANGERS

Mondays • 2:30 – 3:30 pm • Grades 3-5 • \$125
Thursdays • 2:30 – 3:30 pm • Grades 1-2 • \$125

Students will explore the unlimited possibilities of reading as they work in a small group environment to develop their reading skills and expand their minds. Taught by Hawthorne's very own Mr. Ray, class size is limited to 10 students.

Instructor: Mr. Larry Ezell-Ray

Dates for Grades 3-5 (Mondays): 1/22, 1/29, 2/5, 2/12, 2/26, 3/4, 3/11, 3/18, 3/25, 4/1

Dates for Grades 1-2 (Thursdays): 1/25, 2/1, 2/8, 2/15, 2/29, 3/7, 3/14, 3/21, 3/28, 4/4

SPANISH

Tuesdays • 2:30 – 3:30 pm • Grades K-5 • \$275

Sponge classes are immersion-based and designed to instill a love of language and culture while developing language skills. Our native-speaker teachers use a communicative approach, with lots of movement, games, music, props and gestures that allow everyone to join in the fun. Young learners are primed for language learning - research shows that students are 70% more likely to gain fluency when they begin in elementary school or younger. Make language and culture a part of your child's life and watch them embrace a new world! Learners of all skill levels are welcome to join - no prior language exposure required! Returning students welcomed and encouraged!

For the winter session, we will focus on learning common vocabulary related to grocery shopping. Students will learn about common food items, make lists of items they need, "go shopping" and learn how to explain what they are looking for, pay for purchases, and more! Time permitting, students will learn how to make a soup. They'll learn vocabulary related to common soup ingredients and kitchen utensils. Students will be able to understand a basic recipe and follow step-by-step directions to make a soup.

Provider: [Sponge](#)

Dates: 1/23, 1/30, 2/6, 2/13, 2/27, 3/5, 3/12, 3/19, 3/26, 4/2

SPORTS and MOVEMENT

FLAG FOOTBALL CLUB

Mondays • 2:30 – 3:30 pm • Grades 1-5 • \$125

Come join Hawthorne's first Flag Football Club! In this all skills level class, students will be introduced to the basic principles, techniques, and strategies of flag football. Through practice drills and friendly scrimmages, students will work on football skills including passing, receiving, hand offs, running back techniques, pass patterns, and understanding basic play calling. We'll prioritize sportsmanship and teamwork in an atmosphere of fun and camaraderie. This class will run rain or shine at Hawthorne's playground and covered play area. Please send your student with water and appropriate clothes.

Instructors: Edwin Bailey and Mr. Thomas Gray

Edwin Bailey was a former guard for the Seahawks from 1981-1991 and has coached professional, college, and high school football. He will be working towards his Masters degree in Special Education. His Godson is a first grader at Hawthorne and he's excited about the opportunity to bring flag football to Hawthorne.

Dates: 1/22, 1/29, 2/5, 2/12, 2/26, 3/4, 3/11, 3/18, 3/25, 4/1

CAPOEIRA KIDS!

Tuesdays • 2:30 – 3:30 pm • Grades K-5 • \$285

Discover the rich legacy of Capoeira Angola! Great for new and returning students!

Originating as an Afro-Brazilian martial art form, Capoeira was created by enslaved Africans in Brazil as a means of self-defense, resistance, and cultural expression. Sometimes we call it "African Karate" to teach people quickly what it is like, but it is so much more! It's a harmonious blend of martial arts, dance, acrobatics, traditional music, and a strong sense of community and Portuguese language learning!

Delve into an art that is deeply rooted in resistance and resilience, where every move narrates a story of its people. As students embrace the techniques, they also immerse themselves in a profound appreciation for the ancestors, customs, and masters of Capoeira. This journey of self-discovery underscores how the dedication you pour into Capoeira is directly

proportional to the growth and potential you unlock within yourself.

Our Capoeira program for kids revolves around key principles: focus, discipline, respect, achievement, community, and leadership. It's more than just an extracurricular activity; it's an exploration of cultural heritage and self-empowerment. Let your child experience the thrill of unique, dynamic movements while imbibing timeless values that will shape them into mindful and spirited individuals.

SPORTS & GAMES CLUB

Thursdays • 2:30 – 3:30 pm • Grades K-2 • \$125

Have fun and stay active with two Hawthorne parents! In this club, we will expose kids to a variety of indoor and outdoor games: everything from basketball to the Floor is Lava to Thumbs Up. Our goal is for kids to be excited for Thursday afternoons, where they will foster a sense of teamwork and burn off some energy. This club will be held outside when possible, but indoors during inclement weather.

Instructors: Kevin Curry and Brett Trani

Brett and Kevin are Hawthorne parents who love learning and being active with their own kids, and they look forward to sharing these interests with the Hawthorne community. Brett stays active by winning push-up competitions, and has a Kindergarten at the school. Kevin, AKA Mr. Bananas to many younger Hawthornians, loves to run, climb, and play with his kids, who are in 4th grade, 2nd grade, and Kindergarten.

Dates: 1/25, 2/1, 2/8, 2/15, 2/29, 3/7, 3/14, 3/21, 3/28, 4/4

WATTS BASKETBALL: FUTURE STARS

Thursdays • 2:30 – 3:30 pm • Grades 3-5 • \$255

Welcome to Little Dribblers! Embark on a journey towards a confident, healthy, and active lifestyle from an early age. Join us in the gym for an experience filled with growth, technique, and laughter—a true win for parents and kids alike! This program lays the foundational stones for a lifelong love of basketball, instilling the significance of an active lifestyle. Through fun-filled activities, we aim to enhance coordination and social skills, sparking a deep-rooted passion for the game. Our 60-minute classes are packed with entertaining games, challenges, and exercises. They are designed not just to build coordination and basketball skills but to ignite a lasting excitement and interest in the sport.

GAMES & MAGIC

CHESS CLUB INTERMEDIATE/ADVANCED LEVEL

Tuesdays • 2:30 – 4:00 pm • Grades 3-5 • \$150
1.5 HOUR CLASS

Winter session Chess Club is for intermediate/advanced chess players. Taught by Hawthorne's very own Mr. McMillan, the class will focus on strategy, tactics, opening & endgame theory, and tournament play. My philosophy is to use chess as a vehicle to teach life skills. Kids will practice good sportsmanship, patience, planning organization and critical thinking. Along the way we'll have a lot of fun!

Note: A beginners level Chess Club (K-Gr3) will be offered in the Spring

Instructor: Mr. Jay McMillan

Dates: 1/23, 1/30, 2/6, 2/13, 2/27, 3/5, 3/12, 3/19, 3/26, 4/2

FUNCTION FANATICS

Tuesdays • 2:30 – 3:30 pm • Grades 1-3 • \$125

Students will expand and enhance their math skills using board games, card games, puzzles and other educational tools in a small group environment. Taught by Hawthorne's very own Ms. Holloway, class size is limited to 10 students.

Instructor: Ms. Iris Holloway

Dates: 1/23, 1/30, 2/6, 2/13, 2/27, 3/5, 3/12, 3/19, 3/26, 4/2

DISCOVER MAGIC: ORANGE MAGIC WAND COURSE

Tuesdays • 2:30 – 4:00 pm • Grades 1-5 • \$334
1.5 HOUR CLASS

Get ready to take an amazing adventure into the exciting world of magic! Join the Seattle Magic Academy with their very popular magic class! Learn how to teleport objects across the room, find hidden magical treasures, levitate a cup of popcorn, plus many more! This term is the "Orange Wand" course. The 4 different wand color courses offered can be taken in any order, and all the magic is different in each course. Students gain communication skills and self-confidence in these magic classes.

Students will receive all the magic tricks taught in the course, "secret" file folders, access to an online video vault to revisit everything being taught, and more surprises!
