September 3, 2020

Good Evening Hawthorne Families,

We are excited about the 1st day of school tomorrow and being able to finally connect with our students and families. We know how important strong relationships are to student success. Over the next week of our Strong Start schedule we will be focusing the majority of our time on creating welcoming virtual classroom environments, setting norms and routines, sharing experiences, and providing the necessary materials so that everyone has what they need for great year of learning. I am looking forward to working with students, staff and families as we begin the start of a school year as a strong committed Hawthorne School Community.

Hawthorne Laptop, iPad and Supply Distribution Dates:

Technology access has been a priority of Seattle Public Schools. We are working to provide every student that needs a device to support access to remote learning an iPad or a laptop. K- 2 students will receive iPads and 3rd -5th grades students will receive a laptop. We happy to announce that the laptop devices have arrived and are ready to be distributed. iPads for K-2 students are also scheduled to arrive by next week.

Hawthorne will be distributing technology devices for student pick up next week on the following dates:

Tuesday September 8th – Intermediate Grades- 3rd through 5th

Thursday September 10th – Primary Grades- Kindergarten through 2nd

Our distribution area will be set up at Hawthorne in the staff parking lot on Dakota Street for device pick up. Parents will be asked to complete a technology form when receiving your child’s device. These forms will be available to complete onsite. You can also find them online on the SPS remote learning website if you want to complete the forms prior to pick up.

All Hawthorne students will receive school supplies provided by Friends of Hawthorne PTA.(FOH) Students who are choosing to use their own computer device for remote learning can still come on their designated day and time to pick up school supplies. Please see the schedule below for your grade level date and time. Note that the **5:00pm -6:00pm** alternate time is set aside for families who are unable to pick up their child’s device during their scheduled time frame.
